II. DANCE RULES

A. Definitions

1. **Amateur** refers to a dance competitor who does not meet any of the Professional Status Specifics outlined in the Division Entry Requirements section of this Rules document.
2. **Basic Rule** refers to the rule that, before adding embellishments or variations, competitors must dance one full, visible basic pattern of the dance per standard phrase of music – or, in the case of Line Dances, a full basic “vanilla” wall of the dance steps specified by the choreographer. More details are provided later in this rules document.
3. **Crossover** refers to either of two opportunities:
 - a. A dance competitor from another dance sport competes in the UCWDC dance sport
 - b. A dance competitor from one UCWDC Dance Type competes in another UCWDC Dance Type
4. **Dance Season** is a year that begins on January 16th and continues up to January 15th of the following year.
5. **Dance Category** refers to the specific dance or motion, such as Rise and Fall, Pulse, Smooth, Cuban, Street, Stage for Line, Two-Step, Waltz, Cha-Cha, West Coast Swing, East Coast Swing, Polka, etc. for Couples and ProAm/ProPro.

6. **Dance Types** refer to the types of dance contests offered by UCWDC, including ProAm, ProPro, Couples, Line, and Teams.
7. **Division** refers to the competition segment in which UCWDC competitors may compete within a Dance Type: Age, Skill Level, and Mixed-Role. For example, ProAm Female Diamond Novice is a division. Division specifics are listed in this Rules document.
8. **Eligibility Period** is the two (2) previous Dance Seasons combined with the current Dance Season. For example, on 3 October 2022, the eligibility period would be from 15 January 2020 to 3 October 2022. On 5 February 2022, the eligibility period would be from 15 January 2020 to 5 February 2022.
9. **Format** refers to the general forms of UCWDC dance competition, including **Classic** (in which music is selected by a DJ and competitors do not know the songs they will dance to in advance) and **Showcase** (in which competition music is either chosen by the competitors or is pre-released to competitors by UCWDC).
10. **Judges' Marks** refer to the placements UCWDC judges may award competitors. These include:
 - M** = Honorable mention
 - B** = bronze
 - S** = silver
 - S+** = silver plus (ProAm only)
 - G** = gold
 - G+** = gold plus (ProAm only)
 - GH** = gold with honors
 - GH+** = gold with honors plus (ProAm only)
 - GG** = gold graduate
11. **Line of Dance** refers to the counter-clockwise movement of dancers around the floor when dancing partner dances.
12. **Mixed-Role** refers to UCWDC competition divisions in which traditional dance-gender roles (i.e. males lead and females follow) are *not* required.
13. **Non-Progressive Dances** remain in one general place on the floor rather than progressing around the outside of the floor. Examples include Swing, NightClub, and Cha Cha.
14. **Overall Championship** (also shortened to "Overall"), refers to UCWDC contests in which individuals compete to be best across five of eight dances. Overall Couples, ProAm, and ProPro competitors must dance at least Two-Step; Waltz; one (1) Swing dance (East Coast or West Coast); and two (2) of the four (4) Alternate dances, which are Triple Two, Polka, NightClub, and Cha Cha. In Line, for an overall, a competitor must enter all Dance Categories offered in that division. In Line Dance Crystal Intermediate, a competitor must dance Rise and Fall, Pulse, Smooth, Cuban and Stage.
15. **Progressive Dance** is a dance in which partners move in a constant flow in Line of Dance around the floor. This contrasts with a non-progressive dance, which does not flow around the dance floor. Examples include Two Step, Waltz, and Polka.
16. **ProAm** is a type of partner-dance contest in which a Professional dances with an Amateur.
17. **Professional** refers to a dancer who meets any of the Professional Status Specifics outlined in the Division Entry Rules section of this Rules document.
18. **ProPro** is a type of partner-dance contest in which two Professionals dance together and one professional is instructing the other.
19. **Shine** refers to a movement in a partnered dance in which a dancer moves independently of a physically connected lead.
20. **SOLO MEDLEY** is a musically mixed, multi-dance Showcase category. It features a medley of dances choreographed to music of the competitors' choice.

G. Division Rules

For an explanation of the movements listed below, see Glossary of Movements at www.UCWDC.org/rules

- 1. Classic Format
 - a. The songs selected by each DJ or Event Director for each ProAm and ProPro division are not revealed until the competition begins. The songs played for contiguous heats of the same dance and division in ProAm/ProPro must be different and of approximately the same tempo.
 - b. The basic timing(s) and rhythm(s), plus the musical tempo ranges for each dance, are listed in Article M. Dance Categories and Basic Timings in this rules booklet.
 - c. All Couples competitors must enter and dance Two Step to be eligible to compete except for Newcomer, Juniors, Showcase, Masters, and Crown divisions. Failure to do so will result in disqualification in that division.
 - d. Classic Movement Limitations:
 - i. Moves that include lifts (any type), throws, carries, aerials, acrobatics, drops (any type), rides, drags, slashes, pirouettes, fouettés, sitting on the floor, lying on the floor, or bridging on the floor are not allowed.
 - ii. Jumps and jetés are not allowed.
 - iii. Movements that rotate on balance in adagio are permitted to turn only up to 360 degrees.
 - iv. All Couples competitors must start with their bodies touching each other.
 - v. Couples competitors must follow the Basic Rule which requires them to dance one full, visible basic pattern of the dance per standard phrase of music (32 count for 4/4 time or 24 count for 3/4 time). For phrased dances, the two measures of basic timing must be

performed in each phrase of music but need not be back-to-back. The basic pattern must be performed within the character of the dance and in a connected position.

- vi. A stationary split or rotating pedestal is not allowed.
- vii. Dance moves that incorporate shine are not allowed, with the exception of Chase, Contra-Chase, Circles, Contra-Circles, and Challenge in Cha Cha. Contra-Chase is also allowed in East Coast Swing and West Coast Swing.
- viii. Free spins are permitted only when they are led from a connected position. Free spins must finish through re-connection or as appropriate to end-of-pattern and cannot initiate additional movement concepts without a physical lead.
- e. Additional Movement Limitations for Newcomer divisions:
 - i. Newcomers must start in one of the seven (7) closed positions: Basic Closed (Right Inside Partner), Left Inside Partner, Right Parallel, (Outside Partner) Left Parallel (Outside Partner), Promenade, Reverse (Counter) Promenade, or Fan.
 - ii. Newcomer I competitors must use the basic timing(s) defined in Article M. Dance Categories through each dance, with the exception of a foot change and patterns described in the UCWDC Syllabus that are not basic timing.
 - iii. Newcomer IV, III, and II Competitors, except for a “starter step”, must use only the patterns from the UCWDC Syllabus listed at www.UCWDC.org/rules for their respective level.
 - iv. Hops, leans, lunges, arabesques, penchés, piqués, attitudes, développés, rond de jambe en lair, and télé rondés are not allowed.
 - v. Adagio movement is not allowed except for kicks, flicks, floor sweeps, or passé when done without losing the basic timing.

2. Showcase Format

- a. In Showcase, competitors dance to music which is pre-selected for each dance on a rotating schedule. The songs, artist names, and details for usage dates are posted under “Competition Music” at www.UCWDC.org/competition-music. Choreographic interpretation of the music is one of the most important factors being judged. Competitors should select movement that they feel best interprets the musical nuances, tempo, character, and mood of the musical selection and the dance’s characterizing rhythm, motion, and style.
- b. Movement allowances and limitations for Showcase Couples:
 - i. A Couple may enter any dance category of their choice.
 - ii. A Couple may begin in any dance position.
 - iii. Aerials are not allowed except in Showcase Masters.
 - iv. Inverted lifts held on the vertical plane (rather than cartwheels that move through the vertical plane) and throws transporting the partner through the air are not allowed except in Showcase Masters.
 - v. The two-beat rule, with the exception of Showcase Masters: A partner may be lifted for up to two beats of music as long as any part of the lifted partner’s head, torso, arm, or leg remains at or below the shoulder level of the lifting partner and the lifted partner is not inverted. Medium lifts (with a part of the body at or below waist level) are allowed.
 - vi. There are no movement limitations in Showcase Masters.

H. Floor Craft

- 1. For all dances, competitors shall always be courteous on the floor, as well as vigilant so as not to interfere with other competitors.
- 2. For Couples progressive dances, competitors must generally move in Line-of-Dance (LOD), counter-clockwise around the outside of the dance floor. When a competitor performs a stationary movement in progressive dance, it should be to the outside of the floor, and must not block the inside lane; the stationary competitor has the right-of way. If another competitor slows or stops, trailing competitors should pass on the inside (toward the center of the dance floor.)

3. For Couples non-progressive dances, competitors must generally remain in place. Once established on a spot, stationary competitors have the right-of-way over any competitor moving toward their space. When spot competitors use traveling movements they must return to their original spot unless they are moving to an empty space. Stationary competitors have the right-of-way for their spot along with reasonable space in which to perform.

I. Costuming and Props

1. Competitors in all Divisions must wear:
 - a. Traditional looking cowboy hats for all leaders in all levels and divisions.
 - b. Traditional looking cowboy boots with a pull strap, stitching, and at least 1.25" (1.25 in/ 3.175 cm) heel from top of heel to floor and at least 7" (seven in/17.78 cm) shaft from top of heel to top of shaft. Acceptable heel styles include: Cowboy, Riding, Walking, Roper Straight, Roper Pitched, Fowler Straight, and Fowler Pitched. Fashion heels are not acceptable.
 - i. Newcomer competitors are encouraged but not required to wear boots except at The Country Dance World Championships, where boots are required for all levels.
 - ii. Junior competitors may not wear boots or other footwear with more than a 1.5 inch/3.75 centimeters heel.
 - c. Dance pants (under-shorts) for any dancer whose buttocks may be revealed during a dance performance.
2. Newcomer IV, III, and II competitors are not allowed to wear costumes that have sequins, rhinestones, beads or metal embellishments, or metallic threads or dots woven into or pressed into the costume. This does not include jewelry, which can include bracelets, necklaces, broaches, hatbands, hair-combs, rings, earrings, collar-tips, button snaps, belt buckles (but not the belt itself), boot bracelets, or stirrups. Discretion and tasteful decorum appropriate to the style of Country and the style of the dance performed is favored.
3. Sponsored logos on costumes are allowed if they are no larger than 5 inches by 5 inches (12.7 centimeters by 12.7 centimeters) in dimension per article of clothing. Logos should be tasteful and not detract from the costume.
4. The entire visual look of the performance is judged, including costuming as well as steps. Therefore, how a competitor presents oneself for performance is part of the final placement on every judge's ballot, in every dance, according to the style and story of the dance.
5. Competitors in Classic and/or Showcase Crown and Masters who choose to discard parts of costumes (i.e. skirts or vests) during their performance cannot leave discarded articles on the dance floor where they may impede other competitors. All discarded articles must be removed by the competitor at the end of the performance.
6. Props are allowed in ShowDance and Solo Medley only. A prop is any item that is not normally worn as clothing. Props must be portable, not living, and delivered to and removed from the performance arena only by the competitors. Performers and props must not touch audience members or event staff. A total time of one (1) minute for prop setup, entrance, prop removal, and exit is allowed.

J. Choreography Copyright

Like music, under international law, all original choreography is automatically copyrighted when it has been performed and may not be copied, reproduced, or imitated without permission by the owner under penalty of law.

K. Competition Music

1. DJs should make every possible effort to play phrased music for the phrased dances (Polka, Cha-Cha, NightClub, and Waltz).
2. UCWDC strongly recommends that Polkas be 2/4-time, NightClub be 4/4-time and Waltz be 3/4-time.
3. UCWDC strongly recommends that, within a set of selected music for a specific dance, the intro of each song is the same phrase length, and that the music is played to the end of phrase after the 90-second stipulated

song duration. For non-phrased dances (Triple Two, Two-Step, East Coast Swing, and West Coast Swing), all music should be pulsed appropriately. That is: Triple Two has soft upbeats, Two-Step has definitive downbeats that are not double-timed, and both Swing dances are danced to backbeat swing music. For Newcomer divisions, non-phrased music for the non-phrased dances is allowed.

4. These competition music length minimums may extend to the end of the phrase
 - a. ProAm – 1 ½ minutes
 - b. ProPro – 1 ½ minutes
 - c. Line Dance ProAm – 1 ½ minutes
 - d. Spotlight (ProAm & ProPro) – 2 ½ to 4 minutes
5. Showcase Music: The songs and artist names are posted under “Music” at www.UCWDC.org/competition-music.
6. For Event Music Selections, all Classic music must be as described below in 7. b, c, and d.
7. Competitor-selected music requirements:
 - a. Competitor-selected music must be as described below for all parts of the dance performance.
 - b. For the purposes of selecting competition music, music and artists that are identified by the following categories or descriptions are considered acceptable for Country Dance competition music within the UCWDC:

 - vii. Western Swing
 - viii. Honky Tonk/Hardcore Country
 - ix. Bluegrass

 - c. Two competition dances, Cha-Cha and West Coast Swing, have roots outside the country music genre. Therefore, Tejano music is acceptable for Cha-Cha, and Blues music is acceptable for West Coast Swing. These music types are allowed only for these dances.

 - xii. The music will be audited to ensure it meets all requirements.

9. Beyond the duration of the self-selected music, competitors are allowed one minute in total for prop setup, entrance, prop removal and exit.
10. UCWDC does not condone obscene, indecent, or profane content within competitor--selected music dance categories. While the UCWDC is a family-oriented organization, we cannot censor artistic license. Therefore, when competitor-selected music divisions are occurring before 9:00 pm, patrons should be informed that there may be adult themes portrayed during these competitions.

L. Graduation Requirements

1. Competitors graduate on the first day of the next Dance Season, except for the following:
 - a. In a Dance Season, when a competitor competes for the first time in the UCWDC, or returns to competing in the UCWDC after more than the Eligibility Period, or competes for the first time in a new Dance Type (i.e., ProAm, Couples, Line Dance);
 - i. *and*, accumulates more than 50% of GG in their dance(s) in any single division in their skill level (need not be the same division at each event), in their first two (2) competitions (if one of those includes an overall) *or* their first competition and their first overall;
 - ii. *then*, they must immediately graduate to the next higher level.
2. Eligible wins occur if there are three or more competitors competing for overall, except if 51% or more of all judges' marks are grades of S or less.
 - a. In the case of less than three (3) competitors competing for overall, a win counts toward graduation if the majority of judges' marks are grades GH and GG. At least 25% of all grades must be GG.
3. Graduation earned at UCWDC Regional Events:
 - a. A competitor may dance only one level up or down across different dance types.
 - b. There may be no more than one level difference for a single competitor across all dance types. Therefore, if a graduation results in a difference greater than one level, the competitor must graduate in the other types as well, unless they obtain Dispensation. For information about crossover between Dance Types and the Dispensation Request Form, please see www.UCWDC.org/rules.
 - c. If a competitor qualifies for an overall in a division, at a particular skill level, they may dance one or more dances in the next higher skill level at the same event (and must dance Two-Step if it is required).
 - i. From that event forward, if the competitor dances overall in the next higher skill level, they have self-graduated into the higher skill level and may no longer dance in the lower skill level.
 - ii. Note that competitors may not dance at a higher skill level at The Country Dance World Championships.
 - d. Number of eligible wins:
 - i. Couples competitors must graduate to the next higher level in these cases:
 - .1 From Division IV level if they have eligible wins at two (2) or more UCWDC events during the current Eligibility Period.

 - .3 From Division II level if they have eligible wins at three (3) or more UCWDC events during the current Eligibility Period.
 - ii. Ascension into the Masters divisions occurs when a partnership is formed by two (2) people who have a combined lifetime total of eight (8) first place overall eligible wins in the Classic open I and/or Showcase Open divisions at UCWDC events. At least two (2) of their wins must have been danced with the current partnership and at least one (1) of those must have three (3) or more competitors except Showcase divisions, where two (2) are permitted.
 - iii. Ascension into the Crown divisions occurs when a partnership is formed by two (2) people who have a combined lifetime total of eight (8) first place overall eligible wins in the Classic

Crystal I (once the competitors turn 40), Diamond I, Silver I, or Gold I/II (which graduated to Crown Plus) and/or Showcase Diamond divisions at UCWDC Events. At least two (2) of their wins must have been danced with the current partnership and at least one (1) of those must have three (3) or more competitors except Showcase divisions, where two (2) are permitted.

4. Graduation Criteria earned from a Continental Championship:
 - a. At a Continental Championship, the same graduation requirements apply as at any UCWDC Regional Event.
5. Graduation Earned at The Country Dance World Championships ("Worlds"):
 - a. Every competing couple who wins a first-place Overall title at The Country Dance World Championships with grades of G or better must graduate to the next higher level of competition unless they have fewer than three (3) couples competing for Overall in their division.
 - i. In this case, competing couple will graduate only if the majority of judges' marks are grades GH and GG. At least 25% of all medals must be GG.
 - b. In addition, all competitors who dance for an Overall Championship at The Country Dance World Championships graduate to the next higher division on a scale which depends on the total number of competitors, as follows:
